

## ANNOUNCING: TRANSMISSION TALK TUESDAY

---

Join us in June for a series of Transmission Talk Tuesday round-table discussions. Every Tuesday at 12:00 PM EDT we will introduce a different topic then open the floor for your input and questions. Jeff Welton will host and be joined by special guests.

**June 2: [Storm Season! REGISTER](#)**

**June 9: [Transmitter Travels. REGISTER](#)**

**June 16: [HD Radio as a Revenue Stream. REGISTER](#)**

**June 23: [Site Monitoring. REGISTER](#)**

**June 30: [Customer Service. REGISTER](#)**

## GV SERIES PROMOTION

---

### 100-month Warranty AND 2nd Exciter

Call your Nautel Rep today and ask about this limited-time promotion on all GV Series transmitters; 100-month warranty AND a FREE second back-up exciter.

Also, for a limited time we're offering a 5-year warranty OR a FREE second back-up exciter on all NVLT Series transmitters.

More support and redundant exciters, just one way Nautel is helping you have a few things less to worry about.

Promotions are available in Canada & USA only, orders must be placed by July 31, 2020, and other restrictions apply.

### TIPS 'N TRICKS: LIGHTNING!

Engineering tips from award-winning Jeff Welton. **This Issue:** [Lightning Prep and Recovery](#), including power supply repair.

### HOW-TO VIDEOS

Hands-on tutorials from our Customer Service Technicians.

## NEW EBOOK

---

### PLAN B: ENSURING RF READINESS

Is your RF chain fully protected against failures, lightning, hurricane season and unforeseeable emergencies?

## Dirty to Clean at a Site to be Seen

This may be the most unusual transmitter site you've ever seen. It's in a shower stall - yes you read that right! It was also very dirty given no engineering attention since its install four years earlier.

Read Ted Langdell's detailed account, with many photos, of how he took it from dirty and neglected to clean and operational.
