I've flown over some of the most beautiful places...

So, uh, how much do you weigh?

My favourite seatmate

- Airline status can pay off if you travel frequently
- It's usually best to pick one and stick to it

Rental Cars

- If there are features you need in a rental car, be sure to specify them on the reservation and again at the counter.

Language

- Sometimes language is an issue – pre-arrange support if needed

Hotels

- As with rental cars, notify hotels in advance of any required features, or arrange alternative solutions

Technology

- Technology can also be confusing in different places... choose wisely!

Self-Care

- It's easy to end up working 18 or more hours a day on the road
- Taking time to relax is important

Self-Care

- Make sure you get lots of protein!

(seriously,
watching diet
on the road is
challenging)

Watch the Skies!

- What's your favourite weather app?

Need a Machete?

- Some sites resist being visited.
- Get photos beforehand

Back Home

- Remember to keep in touch with the folks back home!

Departure items

- Door closed?
- Transmitter set to REMOTE?
