

**Jeff Welton**

Sales Manager, Central USA  
Nautel

**Mike Patton**

Owner/Chief Engineer  
Michael Patton & Associates

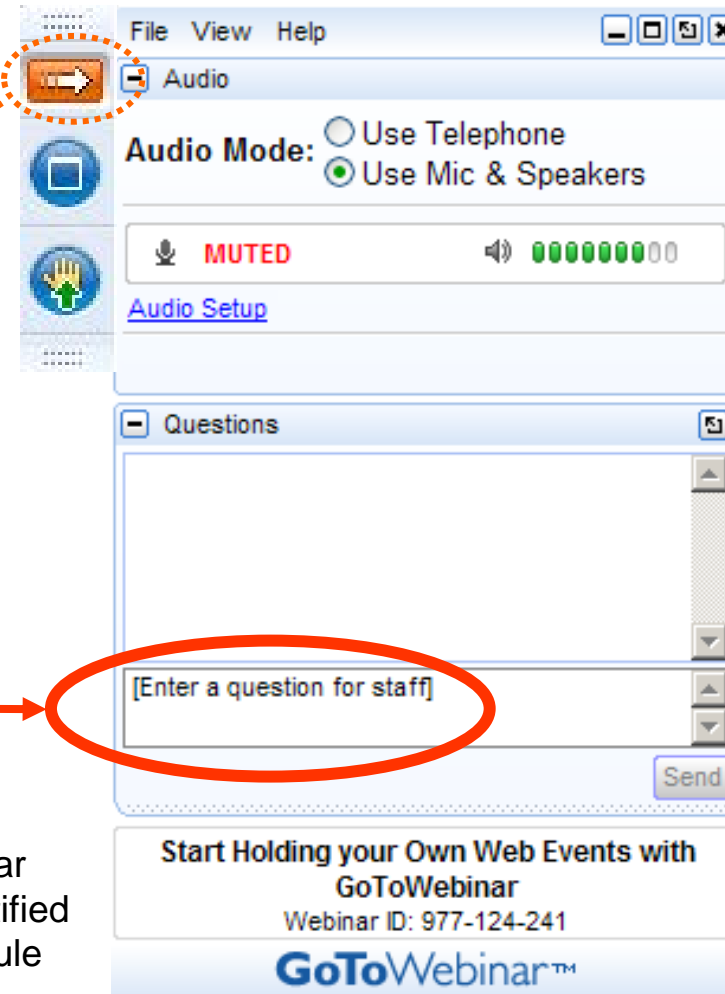

Episode #41

# Transmitter Site Quirks

# Your questions please?

(if you don't see the control panel, click on the orange arrow icon to expand it)

Please enter your questions in the text box of the webinar control panel (remember to press send)

The screenshot shows a GoToWebinar control panel window. At the top, there is a menu bar with 'File', 'View', and 'Help'. Below the menu bar, there is a vertical sidebar with several icons: an orange arrow icon (circled in red), a blue square icon, and a green hand icon. The main area of the control panel is divided into two sections. The top section is titled 'Audio' and contains the following elements: 'Audio Mode:' with two radio buttons, 'Use Telephone' (unselected) and 'Use Mic & Speakers' (selected); a 'MUTED' status indicator with a microphone icon and a volume level indicator showing 00; and a link for 'Audio Setup'. The bottom section is titled 'Questions' and contains a large text input field with the placeholder text '[Enter a question for staff]' (circled in red) and a 'Send' button. At the bottom of the control panel, there is a promotional banner for GoToWebinar with the text 'Start Holding your Own Web Events with GoToWebinar' and 'Webinar ID: 977-124-241'.

Remember: The completion of a Nautel webinar qualifies for ½ SBE re-certification credit, identified under Category I of the Re-certification Schedule for SBE Certifications.

# Ideas for things to cover

- Site quirks
  - Things that are:
    - Easy to overlook
    - Critical to reliability
- WAR STORIES!
  - Best of the worst we've encountered 😊
- Security
  - Personal
  - Site and IT oriented
- Co-los (co-located site/studio or multiple tx)
  - Things to be aware of
  - RFI mitigation
