Nautel

Charlie Drillen

Plant Manager
Nautel Maine Inc.

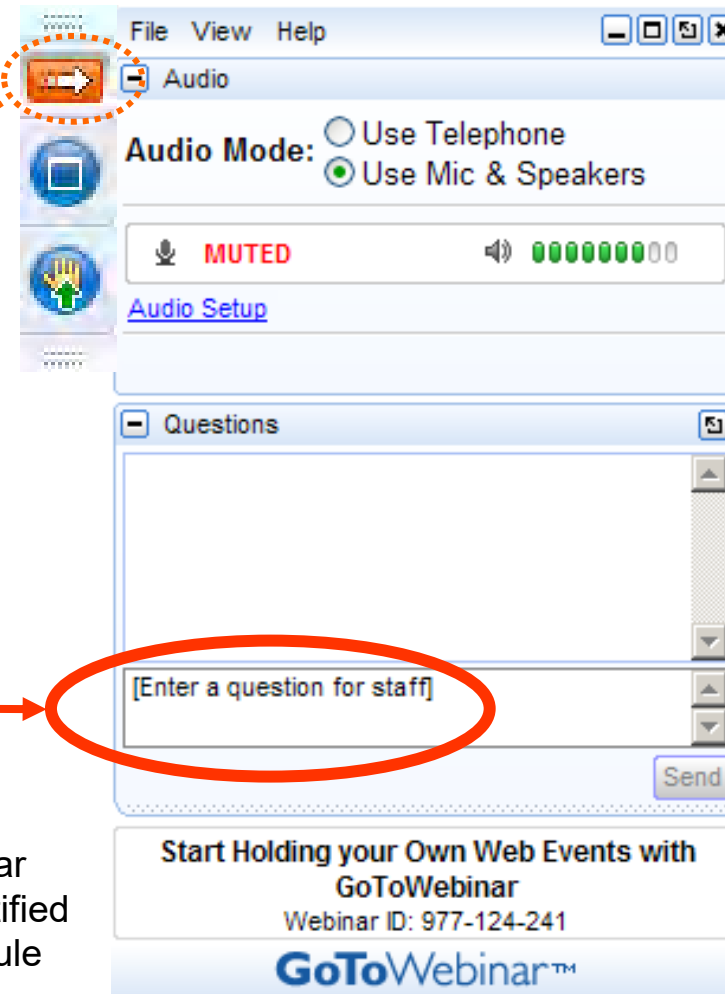

Episode #74

Your questions please?

(if you don't see the control panel, click on the orange arrow icon to expand it)

Please enter your questions in the text box of the webinar control panel (remember to press send)

The screenshot shows a GoToWebinar control panel window. At the top, there is a menu bar with 'File', 'View', and 'Help'. Below the menu bar is a vertical toolbar with several icons. The top icon, an orange arrow pointing right, is circled in orange and has a dotted orange line extending from it towards the left. Below the toolbar is the 'Audio' section, which includes 'Audio Mode' with radio buttons for 'Use Telephone' and 'Use Mic & Speakers' (the latter is selected). Below that is a 'MUTED' indicator with a microphone icon and a volume level indicator. A link for 'Audio Setup' is also present. Below the audio section is a 'Questions' section with a large text input area. The text '[Enter a question for staff]' is visible in the input area, which is circled in red. A 'Send' button is located at the bottom right of the text input area. At the bottom of the window, there is a promotional banner for GoToWebinar with the text 'Start Holding your Own Web Events with GoToWebinar' and 'Webinar ID: 977-124-241'.

Remember: The completion of a Nautel webinar qualifies for ½ SBE re-certification credit, identified under Category I of the Re-certification Schedule for SBE Certifications.

Advance Questions

What is built in Maine vs Canada?

How do you monitor remote stations which are difficult to reach?

My friend Mark was CEO of Maine public broadcasting. He asked me several years ago what transmitter I recommended.

Is there a spare parts kit offered for every model of transmitter? If not, why not?

I would love see how my new GV is looking out on the factory floor!! :)

Which product lines are made in Bangor?
